Wonderfully cared for home with great highway access! Step past the cozy front porch and into a light and airy floor plan filled with arched doorways, wood flooring, neutral color tones, and so much more! The kitchen sits in the center of the home, and boasts plenty of cabinet space, recessed lighting, and a breakfast nook perfect for enjoying your morning cup of coffee. The primary suite will offer a great space for relaxing, offering a dual sink vanity, shower with a rain shower head, and garden tub. Outside, you will be able to enjoy a covered patio, and rear-facing 2 car garage. Community amenities include a park & pool, and the home is situated close to several major roads and freeways that will provide an easy commute to various shopping, dining & entertainment options. You don't want to miss out on this one! Welcome home!
